The owner or any lien holder of a vehicle ordered into storage may claim the vehicle upon presentation of proof of ownership, which may be shown by a certificate of title to the vehicle, and payment of all expenses, charges, and fines incurred as a result of the parking violation and removal and storage of the vehicle.

(o) **Notice of Impoundment.** In the event that a vehicle is towed and impounded as provided for herein, the Village shall immediately cause a search to be made of the records of the bureau of motor vehicles to ascertain the owner and any lienholder of the vehicle ordered into storage. If the owner and/or lienholder is found, the Village shall send or cause to be sent notice to the owner or lienholder that the vehicle will be declared a nuisance and disposed of if not claimed within twenty (20) days of the date of mailing of the notice. The notice shall be sent to the owner's or lienholder's last known address by certified mail with return receipt requested. The owner or lienholder of the vehicle may reclaim it upon payment of any expenses or charges incurred in its removal and storage, and presentation of proof of ownership, which may be evidenced by a certificate of title or memorandum certificate of title to the vehicle. If the owner or lienholder of the vehicle reclaims it after a search of the records of the bureau has been conducted and after notice has been sent to the owner or lienholder as described in this section, and the search was conducted by the Village or the owner of the place of storage, and the notice was sent to the vehicle owner or lienholder, the owner or lienholder shall pay to the Village or other place of storage a processing fee of twenty-five dollars (\$25.00) in addition to any expenses or charges incurred in the removal and storage of the vehicle.

(p) **Unclaimed Vehicles.** If the owner or lienholder makes no claim to the vehicle within twenty (20) days of the date of mailing of the notice, and if the vehicle is to be disposed of at public auction as provided in section 4513.62 of the Revised Code, the Chief of Police shall file with the clerk of courts of the county in which the place of storage is located an affidavit showing compliance with the requirements of this section. Upon presentation of the affidavit, the clerk, without charge, shall issue a salvage certificate of title, free and clear of all liens and encumbrances, to the Chief of Police. If the vehicle is to be disposed of to a motor vehicle salvage dealer or other facility as provided in section 4513.62 of the Revised Code, the chief of police shall execute in triplicate an affidavit, as prescribed by the registrar of motor vehicles, describing the motor vehicle and the manner in which it was disposed of, and that all requirements of this section have been complied with. The Chief of Police shall retain the original of the affidavit for the Chief of Police's records, and shall furnish two copies to the motor vehicle salvage dealer or other facility. Upon presentation of a copy of the affidavit by the motor vehicle salvage dealer, the clerk of courts, within thirty (30) days of the presentation, shall issue to such owner a salvage certificate of title, free and clear of all liens and encumbrances.

(q) **Abatement of violation.** The imposition of the fines and penalties herein prescribed shall not preclude the Village from instituting, by and through its Solicitor, appropriate action to enjoin, restrain, correct or abate a violation, or to stop an illegal act.

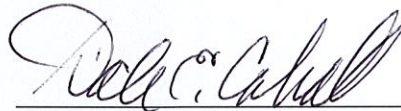

SECTION 2: This Ordinance will repeal and replace Ordinance No. 1223 in its entirety.

SECTION 3: That this Council hereby finds and determines that all formal actions relative to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and of its Committees, if any, which resulted in formal action, were taken in meetings open to the public, in full compliance with applicable legal requirements, including Section 121.22 of the Ohio Revised Code.
