VILLAGE OF GEORGETOWN, OHIO

## MINUTES

### Community Development Committee Meeting Village of Georgetown May 9, 2019

The Village of Georgetown Community Development Committee convened in regular session on Thursday, May 9, 2019 at 6:00 p.m. until 6:54 p.m. at the Kathryn Hanlon Park. Mayor Cahall called the meeting to order with the following council members present: Councilmember Andy Clift, Councilmember Dave Guenther and Councilmember Nancy Montgomery. Employees present: Fiscal Officer Natalie Newberry.

#### GENERAL BUSINESS:

The committee reviewed a list itemizing the repairs needed to the existing bathrooms at the Kathryn Hanlon Park that were discussed at the last committee meeting. Discussion held. The list also included adding two drinking fountains. It was also discussed that the entrance doors should allow for a hands free exit and be spring hinged; since just this week the women's entrance door on the South bathrooms came off due to poor latching. It was the consensus of the committee to move forward with the list as it should be well under the Village Administrator spending authority.

Creating a maintenance ordinance was brought back to the table for discussion. Mayor Cahall made note that the commercial row and the court house were on the National Historic Register but the rest of the Georgetown Historic District was set by Council. Discussion held that if a maintenance ordinance for the Georgetown Historic District was implemented it would not have to be compliant with the Certified Local Government Guidelines; but that if it was compliant then it may potentially lead to additional funding. Discussion held. By a majority consensus, the committee concluded to move forward with drafting an ordinance by requesting Solicitor Joe Braun to attend the next committee meeting to go through examples and decide what would best fit Georgetown.

#### ANNOUNCEMENTS:

The committee set the next meeting for Thursday, May 23, 2019 at 6:00 p.m. in the Georgetown Municipal Building, Council Chambers. Meeting adjourned.
