RE: Council Newsletter

Good afternoon everybody-

Miscellaneous Items

- AMP now has decided they are going to do some exploration on their own solar development that we may be able to buy some of our power from in the future. They've given us a non-binding letter of interest to reserve a spot in line if they decide to move forward, which I'll be returning to them next week. They expect to have some information by summer as to what that project might look like.
- Work continues on the firehouse renovations. The old carpet has been removed and holes have been knocked in the block for the new windows and doors. Chief Rockey has requested a change order to move the location of the existing clothes washer and dryer. It will add a little bit to our cost, but now is the time to do it.
- The bid solicitation has gone out for the Georgetown Station Culvert repairs. I'll be preparing notices to send next week to those property owners adjacent to the work site to make them aware of what will be happening. The bid opening will be February 2.
- Check out the new sign out at the skate park! Now I wish we had gone for a bigger one, but I think the spin on the logo turned out really cool. We'll look for some more of those opportunities to build on our brand.
- We have a vacancy to fill for a full-time Firefighter/Paramedic. Please encourage anybody eligible to get their application in to Chief Rockey in the next couple of weeks.

Upcoming Meetings

- There will be a special Council Work Session on Wednesday, January 13 at 6:00 PM in the Council Chamber or Gaslight Theater.
- There will be a Utility Services Committee meeting on Thursday, January 14 at 5:00 PM in the Council Chamber.
- There will be a Community Development Committee meeting on Thursday, January 14 at 6:00 PM in the Council Chamber.
- There will be a Regular Council Meeting on Thursday, January 14 at 7:00 PM in the Council Chamber or Gaslight Theater.

As always, please let me know if there's anything you all need from me.

Enjoy your weekend,

Tyler
