

## Supporting Entrepreneurship

### Entrepreneurship

Thank you for taking the time to provide input on the demand for spaces, resources, and other support to grow entrepreneurship and small business.

Your input will be used to determine the demand for various programs, services, equipment, and spaces that may be implemented, pending the results of this evaluation.

Please complete and return by September 3, 2021 :

1. Do you currently operate a business out of your home?

- I operate an online retail business
- I operate a light manufacturing business
- I operate a food industry business

Other (please specify)

2. Are you employed outside of the home and currently working remotely because of the COVID-19 Pandemic?

- I work from home, but plan to return to my employers office
- I work from home and my employer does not plan to reopen the office
- I work from home and need a long term flexible location to work remotely
- Other (please specify)
